

# RedCarpet Nigeria

## Introduction

Femi Johnson & Company Limited developed **RedCarpet Nigeria** range of products including the Priceless Gold, Silver and Bronze product variants for its clients well established in their lifestyles.

**RedCarpet Nigeria** Priceless products are based on the proven product model International Insurance products with customisation and added benefits in line with the requirements of the Nigerian insurance consumer. **RedCarpet Nigeria** Priceless products have evolved through extensive and ongoing market research to offer wide cover and versatile delivery options to a well educated and successful client base via dedicated channels with specific partner firms.

FJC strives to provide the best service possible and make our clients insurance experience a pleasant one

**You have assets that must be insured - and you need flexible options**

**You deserve Priceless Service from RedCarpet Nigeria**

## Product Concept & Features

**RedCarpet Nigeria** Priceless is the appropriate domestic insurance solution for those in the middle to upper income bracket who expect the kind of personal service that only AFRS/FJC offers in the Nigerian Insurance market.

The **RedCarpet Nigeria** Priceless product is a multi-section product type with nine sections providing cover for

- Buildings
- Household Contents
- All Risks
- Electronic Equipment
- Personal Accident
- Motor
- Pleasure Craft
- Personal Liability
- Term Life

And with flexible access lines, each insured is guaranteed a flat rate and secured benefits.

## Underwriting Consideration

A proposer/sponsor would be required to:

1. Complete a general proposal form
2. For Buildings cover in excess of 40 Million naira; evidence of valuation will be required.
3. For Contents cover for a total sum assured in excess of 1 Million naira; completion of a declaration form will be required
4. For Life cover with sum assured in excess of the free cover limit; medical underwriting requirements will apply along with provision of evidence of age.
